### Note

This production, as well as other extra-curricular activities, is made possible by the student body fee paid by students at the beginning of the year.

The Drama faculty, the Plays and Players and the production staff extend a hearty invitation to all old and new students to attend this semester's schedule of presentations in the Little Theater. Please note that all productions are designed for adult persons and serious minded students. We have no desire to play to those who offer any frivolous attention, or those emotionally unstable individuals in any audience who thoughtfully or unthinkingly desire to attract attention to themselves. Such interruptions from a college audience will not be tolerated.

The plays to be presented are: "You Can't Take It With You," "Moor Born," "First Lady," Original One-Act Plays, "Cradle Song" and "Taming of the Shrew."
