# **FAQS** Intersegmental General Education Transfer Curriculum (IGETC)

## Q: What is the Intersegmental General Education Transfer Curriculum (IGETC)?

**A:** IGETC is a general education pattern which community college transfer students can follow to fulfill lower-division general education requirements for either the UC or CSU systems. This pattern is recommended for students who are undecided about their transfer goals because it keeps their options open. Many private/independent universities also recognize it as a viable GE pattern or accept IGETC to meet their general breadth requirements.

## Q: Is IGETC an admission requirement?

Student Name\_

**A:** Not a requirement, but a consideration. IGETC is not an admission requirement. Completing it does not guarantee admission to the campus or program of choice. However, completing the lower-division breadth/general education requirements — whether through IGETC or the campus-specific requirements — may be considered by the campus in selecting among qualified applicants.

#### Q: What alternatives are there to IGETC?

**A:** Community college students who are CSU bound have the option to complete the CSU General Education Breadth requirements. Students who are UC bound have the option of completing the general education requirements of the specific UC campus or complete the minimum UC transfer admission requirements (7 course breadth requirements) as listed on <u>assist.org</u>

#### Q: Is it advisable for all transfer students to follow IGETC?

**A:** NO. Not all majors should follow IGETC. Students pursuing majors that require extensive lower-division major preparation (e.g., Engineering, Physics, Chemistry, Computer Science, etc.) may not find IGETC advantageous, and the transfer institution may advise following the minimum 7-course pattern for UC eligibility: 2 courses in English composition; 1 course in Mathematical Concepts & Quantitative Reasoning; 4 courses chosen from at least 2 of the following subject areas: Arts & Humanities, Social & Behavioral Sciences, and Physical and Biological Sciences. For more information please visit the <u>UC Admissions</u> website.

#### Q: Will all UC and CSU campuses accept IGETC?

**A:** Requirements vary. Each school and college at every UC and CSU has its own general education requirements. With careful planning, students can meet many of the lower-division requirements before they transfer. Advantages of completing IGETC may include more flexibility in class selection at the university and timely progress to degree completion. Most UC and CSU campuses will accept the completed IGETC to satisfy lower-division general education requirements.

#### Q: Can I use Advanced Placement (AP) exams for IGETC?

A: YES. AP exams may be applied to IGETC with passing scores. For more details and up-to-date information, see the UC AP Chart.

# Q: Can I use evaluated foreign college transcripts for IGETC certification?

**A:** NO. Courses from foreign institutions cannot be used for IGETC certification, however, international courses can be evaluated at the receiving UC and applied to UC Campus-specific breadth requirements.

#### Q: What is "IGETC Certification" and how do I request it?

**A:** IGETC certification is the process by which the community college verifies that a student has completed all the required coursework for the IGETC pattern (partial completion is possible, if missing up to two courses). Documentation is sent directly to the transfer institution. If IGETC is not certified, students will be subject to the lower-division general education requirements of the UC campus. To request IGETC certification, students should set up an appointment with a counselor for proper review and sign-off or students may request at IGETC Online Petition.

#### **SUMMARY**

- 1. Minimum of 60 semester or 90 quarter UC transferable units with a minimum 2.4 GPA (non-resident students 2.8 GPA).
- 2. All courses taken to meet IGETC requirements must be completed with a grade of "C" or better. A grade of Credit or Pass may be used if the college's policy states it is equivalent to a grade of C or better. No more than 14 semester (21 quarter) units of the 60 semester (90 quarter) units may be taken pass/fail or credit/no credit.
- 3. Students are encouraged to meet with a counselor to discuss appropriate G.E. and lower division major requirements for transfer.
- 4. IGETC certification is governed by the CSUs and UCs. The Articulation Officer has final review and determination of all courses applied toward IGETC.
- 5. This advisement sheet can be modified or updated from time to time. All UC/CSU transferable courses can be verified at www.assist.org
