## FAQS Intersegmental General Education Transfer Curriculum (IGETC)

### Q: What is the Intersegmental General Education Transfer Curriculum (IGETC)?

**A:** IGETC is a general education pattern which community college transfer students can follow to fulfill lower-division general education requirements for either the UC or CSU systems. This pattern is recommended for students who are undecided about their transfer goals because it keeps their options open. Many private/independent universities also recognize it as a viable GE pattern or accept IGETC to meet their general breadth requirements.

### Q: Is IGETC an admission requirement?

**A: Not a requirement, but a consideration.** IGETC is not an admission requirement. Completing it does not guarantee admission to the campus or program of choice. However, completing the lower-division breadth/general education requirements — whether through IGETC or the campus-specific requirements — may be considered by the campus in selecting among qualified applicants.

### Q: Must all transfer students follow the IGETC pattern to transfer to the UC or CSU?

**A: NO.** Community college students who are CSU bound have the option to complete the CSU General Education Breadth requirements. Students who are UC bound have the option of completing the general education requirements of the specific UC campus, the minimum UC transfer admission requirements, or IGETC. Although many UC and CSU campuses will accept full IGETC certification to satisfy lower-division general education requirements, not all UC and CSU programs recommend the IGETC pattern for transfer. For example, students pursuing majors that require extensive lower-division major preparation (e.g., Engineering, Physics, Chemistry, Computer Science, etc.) may not find IGETC advantageous and advise students to follow the minimum 7-course pattern for UC eligibility (2 courses in English composition; 1 course in Mathematical Concepts & Quantitative Reasoning; 4 courses chosen from at least 2 of the following subject areas: Arts & Humanities, Social & Behavioral Sciences, and Physical and Biological Sciences). For more information on transfer requirements, please visit the [UC Admissions](#) website.

### Q: Can I use Advanced Placement (AP) exams for IGETC?

**A: YES.** AP exams may be applied to IGETC with passing scores. For more details and up-to-date information, see the [UC AP Chart](#).

### Q: Can I use evaluated foreign college transcripts for IGETC certification?

**A: NO.** Courses from foreign institutions cannot be used for IGETC certification, however, international courses can be evaluated at the receiving UC and applied to UC Campus-specific breadth requirements.

### Q: Do I have to fulfill Area 7?

**A: Students who are first-time students as of fall 2023 or later will need to complete the Area 7 Ethnic Studies requirement for full certification (one course in Area 7 and two courses in Area 4). Consult with a counselor for more information regarding which catalog rights you are allowed to assert (i.e., if you maintained continuous enrollment at a CCC, CSU or UC).**

### SUMMARY

1. Minimum of 60 semester or 90 quarter UC transferable units with a minimum 2.4 GPA (non-resident students 2.8 GPA).
2. All courses taken to meet IGETC requirements must be completed with a grade of "C" or better. A grade of Credit or Pass may be used if the college's policy states it is equivalent to a grade of C or better. No more than 14 semester (21 quarter) units of the 60 semester (90 quarter) units may be taken pass/fail or credit/no credit.
3. Students are encouraged to meet with a counselor to discuss appropriate G.E. and lower division major requirements for transfer.
4. IGETC certification is governed by the CSUs and UCs. The Articulation Officer has final review and determination of all courses applied toward IGETC.
5. This advisement sheet can be modified or updated from time to time. All UC/CSU transferable courses can be verified at [www.assist.org](http://www.assist.org)
