

January 16, 2024

Good Tuesday Morning,

I hope everyone had a relaxing three-day weekend. We have approximately three weeks before our Spring 2024 semester begins. We are working diligently to bring students back and get new students started. Enrollment is 9% above where we were in 2023. We continue to work hard to make sure each student enrolls for the spring semester.

We have a big enrollment event this Saturday, January 20 from 9am to 2pm with volunteers working to inform interested students about programs, services and how to enroll for classes. We hope to see a nice increase in enrollment after this event. If you have not already signed up to volunteer, please plan to join us. Email Veronica at cuevas@lacitycollege.edu to sign up.

Registration is in full swing for spring classes. Students can visit the Welcome Center for assistance and find classes online. Please be sure to reach out to your students to make sure they register for spring classes.

On Tuesday, January 23, we will be holding a website training/work session. Anyone who is a contributor or editor or is responsible for your specific webpage, please request an invitation by emailing Caridad at ahorroc@lacitycollege.edu.

If you would like your event listed in our weekly “This Week @ City” updates, please add it to the event section of the LACC website calendar.

Tuesday, January 16
