Pharmacy Technician Program

Venture into a new career in one of the most in-demand professions in California and the nation! Pharmacy Technicians in Southern California earn an average of \$52,090 per year, with California having one of the most employment opportunities in the nation for Pharmacy Technicians (source: the U.S. Department of Labor, Bureau of Labor Statistics).

In just a matter of months, our classroom instruction and hands-on externship will give you everything you need to become a licensed California Pharmacy Technician working in a pharmacy. This is not simply a "test prep" class; this is a comprehensive program approved by the Pharmacy Technician Certification Board (PTCB), and it is a fraction of the cost of similar for-profit training programs.

If you are interested in the healthcare field, LACC Extension's Pharmacy Technician Program is the perfect opportunity to get started quickly in a career that makes a difference in the lives of others.

Payment plan available.

A Message from Our Program Manager

Hello LACC Extension Students!

Spring is on the horizon, and with every new spring, we get to witness flourishing and blooming all around us. The flowers become brighter. The trees turn greener. The sun shines its warmth. Best of all, we all have the opportunity to bloom and flourish as well. There's something about spring that invites us to be kinder, happier, and a little more adventurous. This season, let's RSVP to spring's invitation with a resounding, "Yes!"

Yes! We are going to embrace the fullest expression of ourselves. Yes! We are going to challenge ourselves in new and exciting ways. Yes! We are going to develop and grow. And one of the best ways to express ourselves, challenge ourselves, and grow is through learning. This spring, join us at LACC Extension with a class or two. Learn how to play tennis, explore the Japanese art of Ikebana, make candles, write a screenplay, start a business. Whatever your interest, we have something for you at LACC Extension!

Thank you,

Jason Lesner

Medical Coding & Billing Series

According to the US Bureau of Labor Statistics (BLS), the projection of growth and demand for medical coders and billers is growing rapidly. With the skill set you will obtain in this series, you will be prepared to sit for the license exam for a national certification with AAPC (which issues the CPC license - Certified Professional Coder) or AHIMA (which issues the CCS license - Certified Coding Specialist).

So if you're interested in working with a doctor's office, clinic or healthcare facility, dental office, insurance company, or independent billing company, LACC Extension's Medical Insurance Series is a great place to start your career or expand on your skills!

Part 1: Medical Terminology

To work in healthcare, knowing medical terminology and having the ability to communicate with physicians, dentists, and other medical professionals is a must. Learning medical terminology will open the door to many job opportunities in the healthcare field. Students in this course will receive thorough instruction in developing fluency with medical terms covering the different body systems, body orientation, diseases, and medical treatments. By the end of this course, you will be familiar with word components for quick mastery of countless medical terms and be able to communicate effectively with peers in the field.

Optional book: *The Language of Medicine* by Davi-Ellen Chabner. Physical book or .pdf version.

Part 2: Medical Insurance Coding

In physician practice it is common for the Medical Biller to also be the Medical Coder because physicians depend on the Biller/Coder to determine the diagnostic codes for procedures. In this class, learn how to find the proper procedure (CPT-4) and diagnostic codes (ICD-10), how to do proper code sequencing, and when to use these codes.

Prerequisite: Medical Terminology or experience in the medical field.

Required Books: *ICD-10-CM (any publisher) CPT (published by American Medical Association). Old editions accepted if for practice only. Purchase 2024 editions if you are taking the license exam in 2024. No class Aug 31.*

📍 Become a Notary Public or Renew Your Commission

All prospective notaries must complete a course approved by the California Secretary of State. Our approved course will give you the most updated notary information and the knowledge you need to pass the state exam and perform your duties correctly. Becoming a notary and notary loan signing agent can be a great way to earn extra money, start your own business, or enhance your current career. Class fee includes a valuable 70-page manual, the ability to take the State Exam after the class (in-person classes only) notary public handbook, certificate of completion, notary public application and sample forms notaries use every day.

Before signing up for this class, check to see that you meet eligibility requirements for becoming a notary: visit <https://www.sos.ca.gov/notary/qualifications>

State examination is conducted on the same day immediately after class starting at 4:30PM. Bring an official photo ID, two #2 pencils, a 2"x2" passport-sized color photo and a separate \$40 check made payable to the "Secretary of State." You must register with a valid email address. Due to strict State regulations, no one is admitted after class begins. Check-in begins at 7:30AM. Have your current, official photo ID ready.

📍 Notary Loan Signing Seminar

A Notary Signing Agent is a notary public who has specialized expertise in the handling of mortgage loan documents. With the housing market on the rebound, this will be an in-demand service for notary publics! Currently, Notary Signing Agents can make anywhere from \$90-\$180 and more per loan package. Class fee includes valuable 60-page manual (a list of potential sources for your business is included in your manual) a practice loan package, practice journal page, notary forms and the certificate of class completion.

In this six-hour seminar, receive hands-on instruction in the main documents a Notary Signing Agent will notarize. You'll assemble a practice loan package and will practice how to complete the journal, the acknowledgement and the jurat forms. Get familiar with escrow procedures, explore the types of real estate sales and loans currently on the market. Examine the ethical and administrative role of the notary and finally, learn about marketing and customer service, with practical information on how to start your new business. **Prerequisite: current notary public commission or successful completion of six hours of notary education.**

The Los Angeles City College Extension Program is proud to introduce The Rodney Dangerfield Institute (RDI). RDI was established in honor of the late iconic comedian with the intention of giving top-notch training to the next generation of comic talent. We are excited to kick off this relationship with a stand-up comedy class and a sketch writing class. We hope you'll join us as we create a space for everyone to develop their comedy skills.

Stand-Up Comedy

I bet you've been told you're funny. Well, here's your chance to show off your comedic instincts. This class will teach you the basics of stand-up comedy: joke-writing, performance, structuring your set, even handling hecklers. Following the workshops, students will have the opportunity to perform their own original stand-up routine at Flappers Comedy Club!

Grades, Certificates, Awards of Completion & Attendance

LACC Extension class offerings are not-for-credit. We do not maintain grades or transcripts and do not grant degrees or Certificates as defined by the California Education Code and Title V of the CA Code of Regulations.

Students may request an Award of Completion for any LACC Extension class for just \$10. Students must have 90% or better attendance to be eligible.

LACC Extension and Los Angeles City College do not certify quality of work done nor competencies gained within our offerings unless specifically delineated. Some offerings lead to separate certification of competency or offer credentials from entities separate from LACC and the LACCD, and are specifically noted.

Room Assignments

Due to ongoing construction, campus renovations, and other factors, LACC Extension has limited access to facilities. Rooms will typically be assigned by the college 1-2 days prior to the start of class. We appreciate your patience and will notify students via the phone and/or email information provided at registration as soon as possible. To aid us in this process, we appreciate a valid email address and local area code phone number on file with your account.

Credits & Electronic Vouchers

Electronic Vouchers or Credits may be granted to students in lieu of refunds or for other purposes. These vouchers are non-refundable and must be used within 365 days of issuance. Electronic Gift Cards purchased by students do not expire.

Physical Activity

Some LACC Extension offerings require a degree of physical activity and capability. All participants should check with their physician prior to beginning a new activity.

Class Cancellations

The State of California mandates that LACC Extension programs be entirely self-supporting. This means that from time to time, we have to cancel a class that does not have enough enrollments. Classes canceled by us are eligible for full refunds and students may always opt to transfer their payment toward another class. Help us avoid cancellations and guarantee your spot – register early and register a friend! Refunds are processed as quickly as possible. Refunds for cash payments may require up to 30 working days.

Authorized Registrant

Attendance at/within a LACC Extension offering is limited to paid/registered students, unless otherwise specifically authorized in the offering description or by the instructor. Instructors and LACC personnel reserve the right to bar/expel unauthorized persons or guests of registered students. Any person deemed to be disruptive to the class or a safety hazard may be subject to discipline or legal action pursuant to LACC/LACCD rules/regulations.

Classroom Material Fees

Please be aware that some LACC Extension classes have material fees (for handouts/supplies) required by the instructor. Material fees are always optional. However should you choose not to purchase supplies or materials, your participation in the class may be limited.

Refunds & Transfers: Choose your classes carefully!

All requests for refunds or transfers must be made at least two business days before the start of class and are subject to a \$10 cancellation fee per class. Requests made after two business days will not be honored. Transfers are limited to once per class. Missed classes may not be rescheduled or made up. Exclusions apply.
