LACC FKCE Class Descriptions | May 2024

Workshop Title	Date/Time	Trainer	Class Description
Breaking Negative Habits (Renewal for RFA, W, and SCI-Specialized)	May 3, 2024 5:30pm-8:30pm	Rob Hanna	This is part 1 of 2 that will discuss how we can help children break negative habits when they come home.
Special Care Increment (SCI) Training (Formerly known as D & F-rate training)	May 6, 8, 9 2024, 5pm-9pm **YOU MUST ATTEND ALL THREE SESSIONS**	Sandra Smith	The Special Care Increment (SCI) Training is the 12 hours foundational training (which replaces the D & F rate pre-service training) for resource parents who are caring for children, adolescents and non-minor dependents who require specialized care resulting in resource parents going above and beyond the basic level of care (LOC) to meet a child's health, physical, emotional, behavioral, educational, permanency and family service needs. This training covers an overview and explanation of LOC & SCI, substance use, medication and behavior management, the impact of trauma on development, navigating the educational system, birth parent engagement, self-care and resources for successful SCI placement.
Lying, Stealing, and Misbehaving (Renewal for RFA, W, and SCI-Specialized)	May 10, 2024 6:00pm-9:00pm	Sharonda Barksdale	Come to learn about particular behaviors that children might exhibit. How to work with children that lie and steal? discipline issues will be covered as well.
Dental Hygiene (Renewal for RFA, W, and SCI-Specialized)	May 13, 2024 5:30pm-8:30pm	Sandra Smith	In this workshop resource parents will be able to define the basics of oral health, including oral health disease, for children. They will also discuss best practices for improving oral health and maintaining good oral health. Participants will also discuss strategies to effectively communicate about the importance of good oral health for children, and how to achieve good oral health. Last, participants will be able to engage with three resources related to oral health for children, youth, and families (online resources, brochures, etc.)
The Importance of Medication Management (Renewal for RFA, W, and SCI-Specialized)	May 15, 2024 5:30pm-8:30pm	Denetra Norwood	As caregivers it is essential to know how to manage, store, and administer medications for the child. Class will talk about caregiver's responsibilities; managing psychotropic medications; use of over-the-counter medicine; medication logs; reporting to CSW and doctors.
How do Children Cope with Stress? (Renewal for RFA, W, and SCI-Specialized)	May 17, 2024 6:00pm-9:00pm	Sharonda Barksdale	Traumatic experiences are stressful. This workshop will address how children show stress, and how can we help them deal with stressful situations.
DCFS Q&A For Resource Parents (Renewal for RFA, W)	May 21, 2024 5:30pm-8:30pm	Denetra Norwood & Sandra Smith	Join us for a Questions & Answers session with Department of Children and Family Services for Resource Parents.
The Cycle of Abuse and Neglect	May 24, 2024 5:30pm-8:30pm	Rob Hanna	What is abuse? What are the different types of abuse that children can experience? How do we recognized when a child has been abused or neglected? This workshop will discuss

(Renewal for RFA, W, and SCI-Specialized)			child abuse and neglect. How to recognize when a child is being abused or neglected, and how the cycle of abuse works.
Talking to Children About Foster Care and Adoption (Renewal for RFA, W, and SCI-Specialized)	May 25, 2024 10am-1pm	Sharonda Barksdale	Many parents wonder how to initiate this conversation with their child. In this class, we will discuss about ways to have an open conversation with children –of any age- about adoption.
Documentation and Record Keeping (Renewal for RFA, W, and SCI-Specialized)	May 29, 2024 5:30pm-8:30pm	Denetra Norwood	This workshop covers the importance of documentation and record keeping. As well, it shows the proper way of documenting events and keeping records effectively. At the end of the workshop we expect caregivers to make documentation a part of their everyday routine, as well as makin them aware of the importance of documentation and how it can protect them as well as the child's well being.
Relationships 101 (Renewal for RFA, W, and SCI-Specialized)	May 31, 2024 5:30pm-8:30pm	Rob Hanna	This special workshop has been designed for caregivers and their teens on how to communicate effectively in any type of relationship; signs of an abusive relationship; and the importance of respect.
