## 2024-2025 CSUGE Advisement Sheet (Effective Fall 2024 through Summer 2025)

A minimum "C-" grade is required in each college course in Areas A1, A2, A3, and B4. A "C" is defined as a minimum 2.0 grade points on a 4.0 scale. Courses with **superscripts** indicate the year effective (articulated). Courses with **superscripts** in parentheses indicate the year ineffective (archived). For all effective and ineffective dates of LACC and other California Community College (CCC) courses articulated visit [assist.org](https://assist.org).

AP = Advanced Placement IB = International Baccalaureate

CSU GE-Breadth certification is available to community college transfer students who satisfy the general education requirements in each subject area. Students who are CSUGE certified will only be responsible for an additional 9 semester units of upper-division general education at their transfer CSU campus. Some CSU campuses and majors may require full CSUGE certification as part of their admission's criteria. However, completion of the CSUGE requirements is not a guarantee of admission into a university but can increase the student's chances for acceptance. The CSU GE-Breadth pattern may not be the best general education preparation pathway for ALL majors (such as Engineering, Computer Science and Liberal Studies – Teacher Prep). Eligible students who transfer with the CSU GE-Breadth for STEM will need to complete 6 semester units of lower-division GE and 9 units of upper-division GE after transfer. Students may be held to other campus specific graduation requirements outside of general education and major coursework. Please consult with a counselor to discuss an appropriate plan to meet your educational goals. Students who have taken courses at other California community colleges (CCCs) can have these courses "passed along" in the certification process. Los Angeles City College will certify courses taken at other CCCs in the subject areas designated by the offering college. Courses taken at other regionally accredited colleges (in-state, out-of-state, private, public) will be evaluated by counseling faculty or the Articulation Officer.

**ADDITIONAL INFORMATION**

- A minimum of 60 semester or 90 quarter CSU transferable units with a minimum 2.0 GPA is required for CSU transfer admissions.
- Courses satisfying Areas A1, A2, A3, and B4 (The "Golden Four") must be completed with a grade of "C-" or better.
- Although courses may be listed in multiple general education areas (A-F), a course can be given credit in only one GE subject area.
- Courses from foreign institutions cannot be used for CSUGE certification, however, international courses can be evaluated at the receiving CSU college and applied towards their campus-specific breadth requirements.
- This advisement sheet can be modified or updated from time to time. All CSU transferable courses can be verified at [www.assist.org](http://www.assist.org)
- Consult with a counselor regarding which catalog year may be most beneficial and appropriate, i.e., if you are eligible to use previous CSU patterns (pre-fall 2021).
