2024-2025 IGETC Advisement Sheet

(Effective Fall 2024 through Summer 2025)

A minimum "C" grade is required in each college course for IGETC. A "C" is defined as a minimum 2.0 grade points on a 4.0 scale.

Courses with **superscripts** indicate the year effective (articulated). Courses with **superscripts** in parentheses indicate the year ineffective (archived).

For all effective and ineffective dates of LACC and other California Community College (CCC) courses articulated visit <u>assist.org</u>.

AP = Advanced Placement | IB = International Baccalaureate

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pathway for California Community College (CCC) students to fulfill lower-division general education requirements necessary for transfer and admission to both the California State University (CSU) and the University of California (UC). Completion of IGETC is not an admission requirement or admission guarantee for transfer to the CSU or UC, nor is it the only way to fulfill the lower-division general education requirements for students at the CSU or UC. Students may choose to complete coursework to meet the CSU or UC campus-specific breadth requirements of the university program to which they plan to transfer. A minimum of 60 semester or 90 quarter UC transferable units with a minimum 2.4 GPA (non-resident students 2.8 GPA) is required. Although courses may be listed in multiple general education areas (1-7), a course can be given credit in only one GE subject area. Consult with a counselor regarding which catalog year may be most beneficial and appropriate, i.e., if you are eligible to use previous IGETC patterns (pre-fall 2023). This advisement sheet can be modified or updated from time to time. All CSU/UC transferable courses can be verified at www.assist.org. The Articulation Officer has final review and
