Hello TRIO Students,

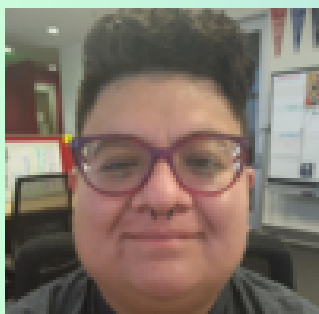

The 2022 -2023 academic year went by too fast! This year I finally got to know some or most of you during TRIO workshops and/or TRIO counseling appointments and I have enjoyed meeting you and getting to know you. The academic year was filled with many different opportunities for you to continue growing as a a TRIO student and create memories during your academic journey at LACC. During Fall, TRIO students visited UCLA and Cal State Los Angeles and now some of our TRIO students will be transferring to these campuses.

During Spring semester TRIO enjoyed the Lion King at the Hollywood Pantages Theatre where we were able to get to know you during dinner and in a different light. This year TRIO has added TRIO Talk Tuesdays in which we feature all sorts of topics and university representatives on select Tuesdays. Take advantage of the opportunities presented to you and feel free to continue giving us something to brag about -- TRIO Rocks! TRIO Works!
